NEW PROCEDURE FOR ASSIGNING A TFM EVALUATION BOARD PHOTONICS AND EUROPHOTONICS

The master's coordinator sends an e-mail to UGEGIM with the composition of the evaluation board

From UGEGIM the proposal of the evaluation board is transferred to Prisma

The TFM deposit file on the Intranet "Project information" shows the composition of the evaluation board and a notice is sent to the master's degree coordinator to validate the assignment of the evaluation board

VALIDATE

The master's degree coordinator accepts the composition of the evaluation board, clicks on the "Validate" button and a notice is sent to UGEGIM that the evaluation board has been defined

From UGEGIM a Prisma report is sent to the members of the evaluation board and the student informing them of the composition of the evaluation board
