

- Company with headquarters in the Netherlands implemented in more than 140 countries
- Simple Finder
- Secured Payment service: Optional service that allows you to lock the first payment to Housing Anywhere, which makes the transfer to the owner only when the student arrives and confirms that everything is ok (the flat corresponds to what was offered and agreed, and there are no incidents).

- Company with offering accommodation in various European cities
- Simple Finder
- Service with payment for the first month, locked and secured
- Guaranteed reservations for owners (if someone leaves before time, Uniplaces covers the remaining months until the end of the contract while it resolves the complaint or seeking a new reservation)
