IF I DEFEND THE BACHELOR THESIS IN FEBRUARY: how does it affect my master's degree enrollment?

In view of the special circumstances arising from the pandemic situation, the necessary means will be enabled so that the readings in February can begin the master's degree by requesting and paying the Place Reservation fees in the event of the day of registration they are not yet graduated.

✓ Students that present their bachelor final thesis after enrolment date:

✓ These students must contact their tutor to inform of this situation and determine the subjects they will follow.

✓ Request E-SECRETARIA a “Reserva de Plaça /Place Reservation” until they enroll, otherwise their place will be given to those candidates in the waiting list.

✓ Will be allowed to enroll later (loosing the ranking enrolment order: with no right to reserve places in any specific subject or groups) but February 22 at the latest!

✓ They must proved that they have paid the fees for the issuing of the Bachelor’s diploma. Otherwise they won’t be able to enroll.
### Cost per credit and surcharge for repeat enrolment

If you need to re-enroll the credits that you have not passed, there is a surcharge when you enroll for the second, third or fourth time.

The coefficient depends on whether the master is qualifying or not:

- **MET** is the only “Qualifying master’s degree”, the other master’s degrees are “Non-qualifying master degree”.
