Enrolment information

IF I DEFEND THE BACHELOR THESIS IN SEPTEMBER/OCTOBER: how does it affect my master's degree enrollment?

In view of the special circumstances arising from the pandemic situation, the necessary means will be enabled so that the readings in September and October can begin the master's degree by requesting and paying the Place Reservation fees in the event of the day of registration they are not yet graduated.

✓ Students that present their bachelor final thesis after enrolment date:
  ✓ These students must contact their tutor to inform of this situation and determine the subjects they will follow.
  ✓ Request E-SECRETARIA a “Reserva de Plaça /Place Reservation” until they enroll, otherwise their place will be given to those candidates in the waiting list.
  ✓ Will be allowed to enroll later (loosing the ranking enrolment order: with no right to reserve places in any specific subject or groups) but **October 31 at the latest**!
  ✓ They must proved that they **have paid the fees for the issuing of the Bachelor’s diploma**. Otherwise they won’t be able to enroll.
Cost per credit and surcharge for repeat enrolment

If you need to re-enroll the credits that you have not passed, there is a surcharge when you enroll for the second, third or fourth time. The coefficient depends on whether the master is qualifying or not:

**MET** is the only “Qualifying master’s degree”, the other master’s degrees are “Non-qualifying master degree”.

The cost per credit for non-resident foreign students who are not from EU member countries is 1.5 times the standard cost credit.

The instalment options are as follows:

• For semestral enrolment (MEE/MET), 60% of the enrolment fees are paid when you enroll and the remaining 40% are paid in mid-December (enrolment in the first semester) or early April (enrolment in the second semester).

• For annual enrolment, 40% of the enrolment fees are paid when you enroll, 30% in mid-December and 30% on 1 March.

➤ You need to add a Bank Account in the e-secretaria NEW: Add or modify a Bank Account.

http://www.upc.edu/en/masters/enrolment#4

NEW: Add or modify a Bank Account.

You won't need this document if you are going to pay in one only payment (by Visa or Mastercard through e-Secretaria or cash at one of the bank entities that will appear at the enrollment form).
Changes in your enrolment (without additional fees) Deadlines:

a) The Fall Semester period for changes ends on **September 21 2020**.
b) Spring Semester **February 15 2020**.

The steps to follow are the following:

**Procedure**

1. Except for MET and MENGFIS students, you will need a document signed by your supervisor again and send it to masters.etsetb@upc.edu.
2. After having sent that document, you will have to do the request by esecretaria.upc.edu (procedures > related to enrollment > enrollment change). You may also come to the academic office in building B3 and we will do the change in person.

**Only one change.** You are allowed to do only one change request (unless a course ceases to be taught).

**Additional fees. Changes after the deadline**

If you do the change after the deadline fixed for enrolment changes, you must pay an additional fee (around 30 €).
**Important:** Please be very careful while choosing your subjects, since you may be seriously affected later on:

- **Reimbursement of fees:** The following reasons do NOT justify the reimbursement of fees, and if they are not paid, payment will be claimed:
  1. Mistakes made by the student in their enrolment do NOT justify reimbursement of fees.
  2. Changes in working hours or starting a new job do NOT justify reimbursement of fees.

- **Academic progress:** If your performance is poor and you do not pass **15 ECTS** the first year you may be expelled (see rules and regulations next page)

- **NIE renewal:** If you do not pass all the enrolled subjects, the police may not renew your NIE when it expires and you will not be able to stay.

We also provide information and advice on the compulsory legal procedures that you will have to carry out to make your stay in Spain legal. During the first days after your arrival at UPC, you should go to the OMI (Students welcome office). We will be happy to help you. At OMI we will assess you about the procedures that your relatives and you could have to do at your arrival and also during your whole stay. During the rest of your stay, we can mainly assess you about the procedure of TIE renewal for you and your relatives.
