PRE-ENROLMENT Deadlines Spring Semester 2023-2024
(to begin classes in February 2024)
From November 1st, 2023 to mid December, 2023

Only for the following 4 masters:

1. MEE - Master's degree in Electronic Engineering
2. MET - Master's degree in Telecommunications Engineering
3. MATT - Master in Advanced Telecommunication Technologies
4. MEF - Master in Engineering Physics (*)

(*) The MEF 60 ECTS MASTER PROGRAM doesn’t allow you to finish in two semesters: if you choose this call to start in February, it will take you 3 full semesters to finish master.

Check the places available for the spring term in this link: MASTERS. Programs and offered places

- Admitted student’s resolution to be published end January, 2024.
- Classes begin: February 2024 Calendaris Lectius
Pre-enrolment video tutorial: Everything you need to know about admission and enrolment

1. Access the pre-enrolment application and select the language of your application
preinscripcion.upc.edu

2. Provide your details if you're a UPC student

3. Register your details if you're not a UPC student

4. Enter the information and attach the documents required

5. Specify your degree!

6. Pay the pre-enrolment fee: €30.21 for each programme

7. Check the status of your application in the pre-enrolment application

8. Check the decision on admission to the master’s degree

This step is essential if you want to submit your application for admission!
The documents you will have to upload depend on where you have earned the degree that qualifies you to enroll in the master’s degree.

From March 27 to May 17 de 2023 !

https://www.upc.edu/sga/ca/Beques/BequesEstudi/BecaM

Portal "Becas de Educación" del Ministerio de Educación

The information about grants and financial aid is available in this link https://www.upc.edu/en/masters/fees-grants

Important: they are only eligible those students that are Spanish or have been paying taxes in Spain as a resident.

As a master's degree student, you can apply for Ministry of Education, Culture and Sport (MECD) grants to cover credits enrolled for the first time and if your income and academic performance make you eligible. You can also apply for EQUITAT grants from Catalanian government, if you are a student of a qualifying master's degree (MET).

No grant are available for foreign students, they should request a grant in their home countries check with general services if there is an agreement with the UPC.
