These students must contact their tutor to inform of this situation and determine the subjects they will follow and request SECRETARIA a deferral for this period (with no right to reserve places in any specific subject or groups).

- The published admission lists inform you about the time of enrollment & supervisor with their contact e-mails.

Enrolment information

Changes in your enrolment (without additional fees) Deadlines:

a) The Fall Semester period for changes ends on September 23 2019

b) Spring Semester February 18 2020.

The steps to follow are the following:

Procedure
1. You will need a document signed by your supervisor again.
2. After having sent that document, you will have to do the request by esecretaria.upc.edu (procedures > related to enrollment > enrollment change). You may also come to the academic office in building B3 and we will do the change in person.

Only one change. You are allowed to do only one change request (unless a course ceases to be taught).

Additional fees. Changes after the deadline
If you do the change after the deadline fixed for enrolment changes, you must pay an additional fee (around 30 €).
**Important:** Please be very careful while choosing your subjects, since you may be seriously affected later on:

- **Reimbursement of fees:** The following reasons do NOT justify the reimbursement of fees, and if they are not paid, payment will be claimed:
  1. Mistakes made by the student in their enrolment do NOT justify reimbursement of fees.
  2. Changes in working hours or starting a new job do NOT justify reimbursement of fees.

- **Academic progress:** If your performance is poor and you do not pass 15 ECTS the first year you may be expelled (see rules and regulations next page)

- **NIE renewal:** If you do not pass all the enrolled subjects, the police may not renew your NIE when it expires and you will not be able to stay.
Cost per credit and surcharge for repeat enrolment

If you need to re-enrol the credits that you have not passed, there is a surcharge when you enrol for the second, third or fourth time.

The coefficient depends on whether the master is qualifying or not:

MET is the only “Qualifying master’s degree”, the other master’s degrees are “Subsided non-qualifying master degree”.

The cost per credit for non-resident foreign students who are not nationals of EU member countries is 1.5 times the standard cost credit.
When you accepted the admission to the master, you were assigned a username and password to do the payment in advance of enrollment (300 euros).

This username and password gives you access to:

1. The electronic secretary ([e-secretaria](https://identitatdigital.upc.edu/gcredencials/recupera-contrasenya)).

2. The Virtual Campus Atenea. (24 hours after the enrolment)

3. The ICT services of ETSETB (Intranet, webmail, etc).

If you don’t remember your credentials, you can recover them at: [https://identitatdigital.upc.edu/gcredencials/recupera-contrasenya](https://identitatdigital.upc.edu/gcredencials/recupera-contrasenya)
The E-secretaria is the platform where you must request changes in your enrolment, certificates, update your personal data, download your enrolment documents as well as consult the forms and payments.
PAYMENTS - E-secretaria

- If you are going to pay by direct debit or in instalments, you need to have a bank account of one of the SEPA countries. You will have to access e-Secretaria https://prisma-nou.upc.edu/apl/; introduce your account number at "My details"> Bank account" at left menu; print the SEPA order and submit it duly signed on enrollment date.

- You won’t need this document if you are going to pay in one only payment (by Visa or Mastercard through e-Secretaria or cash at one of the bank entities that will appear at the enrollment form).
Provisionally a copy of the enrolment form is valid as a provisional student card if you need it in the library and you haven’t still received your card at your home.

Through the welcome office (OMI in Barcelona), the International Relations Bureau promotes student mobility, gives welcome information to incoming students and facilitates their integration at the UPC. We also provide information and advice on the compulsory legal procedures that you will have to carry out to make your stay in Spain legal.

During the first days after your arrival at UPC, you should go to the OMI (Students welcome office). We will be happy to help you.

At OMI we will assess you about the procedure(s) that your relatives and you could have to do at your arrival and also during your whole stay. During the rest of your stay, we can mainly assess you about the procedure of TIE renewal for you and your relatives.

Compulsory legal procedures for international students

On arrival / During your stay

At the International Students Office (OMI) in Barcelona, we can inform you in detail about the compulsory legal procedures you must carry out depending on your nationality and situation.

• On arrival

Registration as a resident of a town or city, registration as a citizen of the European Union, applications for the Foreigner Identification Card (Tarjeta de identidad de extranjero, TIE) and Foreigner Identification Number (Número de identificación de extranjero, NIE) or equivalent certificate.

• During your stay

Renewal of the TIE for students from outside the European Union and application for a re-entry permit if you are planning to travel abroad.

The OMI can help and assess students who are NOT nationals of European Union countries (non-EU students) to renew their TIE, which they will have to do every year during their stay in Spain.

For further information, consult Section 6.2. of this guide and the website www.upc.edu/en, write to oficina.mobilitat.internacional@upc.edu or ask at the OMI (on the telephone or in person).
