

Canada oportunities

University British Columbia

- Location: Vancouver (Canada)
- Studies:
 - Computer Engineering
 - Electronic and Computer Engineering Technology
- Offered to:
 - Master y Bachelor (risk)

University British Columbia

- Previous experiences:
 - ANDROID ROOTING: METHODS, DETECTION, AND EVASION

Simon Fraser University

- Location: Vancouver (Canada)
- 50th World Ranking Comp. Eng, and Elec. Eng.
- Studies: -Electronic and Computer Engineering Technology
- Offered to: - Master y Bachelor (risk)

Previous projects:
- Handover Algorithm
for WiMAX
Technology

École Polytechnique Montréal

- 50-75th World Ranking Comp. Eng, and Elec. Eng.
- **Studies:** - Computer Engineering, Electronic and Computer Engineering Technology
- **Offered to:** - Master y Bachelor (risk), - Physics Engineering Degree

University British Columbia

- Previous experiences:
 - Delta-Lognormal and Sigma-Lognormal analysis of rapid eye movements on Alzheimer patients
 - MMID system with polarization diversity for ID and vital signal detection
 - Security in Cloud Computing
 - Omega-Lognormal Analysis of Oscillatory Movements as a Function of Brain Stroke Risk Factors

École de Technologie Supérieure

- Location: Montreal (Canada)
- Studies: - Computer Engineering (Technological),
- Electronic and Computer Engineering Technology
- Offered to: - Master y Bachelor (risk), - Physics Engineering Degree (FRENCH!)

Previous projects:
- Feb 2017: Optical Networks
